- THE 7TH ANNUAL NMZNA KOI & GOLDFISH SHOW- 6
- NEWS AND TIDBITS 7

As everyone knows, we completed another successful show, which we'll cover in this issue. Although shows are a time of happiness, our joy is diminished by the passing of two of our members, Ken Terrill and Kevin Clark.

One of Ken's over-riding passions was keeping and raising goldfish and koi. He always seemed to have one more goldfish or koi that no one had seen before. His fish were even more remarkable due to the limited space he had available to breed, raise and grow his fish.

One of Ken's proudest moments was when he won the grand Champion Award at the 2006 NMZNA show; we have included a picture of

Ken with his award and a picture of his fish.

Kevin Clark was a fixture at the NMZNA, MPKS, Louisville and Upper Midwest Koi shows. He always seemed to have advice to offer, new products to sell, and a ready smile. There was always room in the pond to house a member's fish, or to hold a club event.

NEWS AND TIDBITS

The annual NMZNA Christmas party event will be held on Saturday, November 22, 2008 at Bob Brudd's house, beginning at 11:00 AM, Central time.

Bob Brudd recently judged the Upper Midwest Koi Club show, with Ray Jordan; Peter Ponzio acted as candidate judge.

Dick Thomas recently judged at the MAKC koi show, as candidate judge. He was accompanied by Bryan Bateman, Tom Ayers, Charles Phelps, Art Lembke, and Henry Culpepper.

Bob Johnson and Alan Stein were scheduled to judge at the MAKC show, but were unable to do so. Bob lives in Galveston, Texas and was approximately 1 mile away from landfall associated with Hurricane Ike. Alan's wife, Lesley, recently underwent brain surgery, and is currently recovering from her operation. Please think of Bob, Alan and their families when you have a moment.

We are in the process of setting-up our 2009 seminar, and have contacted Dr. Andy Goodwin to see if he would be interested in talking to us. Details are still being worked out for the seminar content, and we anticipate holding the seminar in April.

The annual AKCA seminar is scheduled to be held in San Diego from February 11–15, 2009. In addition to the annual seminar, the event will feature the annual San Diego Koi show, as well as the third annual American Breeders Association show. Please visit <http://www.akca.org> for details about the show and lodging.
